

ABOUT STRATIVIA

OVERVIEW

Strativia is a leading-edge professional services company, providing a range of services and solutions in management, technology, consulting, logistics, and engineering.

EMPOWERING ORGANIZATIONS TO GO BEYOND

For nearly 20 years, military, government, and business leaders have turned to Strativia to solve their most complex problems. As a consulting and professional services firm with experts in science and technology, digital solutions, engineering, logistics, cybersecurity, and program management, we help organizations transform. We are a key partner on some of the most innovative programs for governments worldwide and are trusted by their most sensitive agencies. We work side by side with our clients, using a mission-first approach to align the right strategies and technologies with their vision and mission needs.
